Letter from E.M. Gawne Esq., I.C.S., Collector of South Kanara, Ref. C. 3312-25 E. dated 3rd August 1927.

Reference.

In April 1925, the Collector of South Kanara requested permission to employ a temporary clerk on Rs.35 for six months in the Collector's office to sort and list for retention the old records of the office. In its proceedings No.2247 Rout. dated 6th May 1925 the Board instructed the Collector to make

a start in the matter with his ordinary establishment. In his first letter read above the Collector stated that there were about 350 dufters of old records containing roughly 43,750 'ittillas' that the Record keeper was able to get through only 25 'ittillas' in a fortnight and that it would take about 60 or 70 years to go through all the records on the present arrangement. He therefore sought for permission to destroy all the old records or in the alternative to employ a temporary establishment to sort and list them for retention. In its Reference No.C. 5763-27-1 dated 12th July 1927, the Board pointed out to the Collector that it would be objectionable to destroy the old records without examining their contents and accordingly instructed him to apply for the necessary establishment for examining them and furnishing the requisite information for the Curator under para 7(1) of B.S.O. 169. The Collector has now recommended the employment of a clerk on Rs.35/- for six months to attend to the work specified above. The Board supports his recommendation.

2.The cost will be met from the provision in the current year's budget. Additional allotment if any required will be applied for at the end of this year.
